

Who Are The Beehive Blondes?

Professional Party Starters

The retro DJ duo The Beehive Blondes connect with the crowd through their favorite music: 50's rock n roll, girl groups, Motown, disco and a little 80/90's pop. Their sweet spot is 60's Soul and they specialize in being "Party Starters." Hannah and Jess turn up the energy at every event, always ready to dance - or hula hoop! Hannah, who was a DJ in London for 8 years, and Jess both have a background in styling and event planning and spend their days in the vintage world. At each event, they arrive in coordinating head-to-toe vintage and of course, rocking their beehives!
